To whom it may concern,

The following is a reply outline of a standard format for a notice. I have included a blank copy of such format for comparison as you review the reply outline.

This outline deals exclusively with the proposal of the Dove Creek Millsite as located on March 10, 1998. I am hopeful that I will be able to begin using this millsite as soon as possible. Your prompt attention in this matter is greatly appreciated.

Very best regards,

William L Bown
